Report description:

Contact lenses and solutions is witnessing a protracted recovery from the COVID-19 pandemic in 2022 even though there were no lockdowns in France in this year. While manufacturers are seeing demand recover in 2022, retailers are more sceptical highlighting the pressures still felt by this category. Many consumers continued to stay at home in 2022, even after COVID-19 restrictions eased, as France's new working from home culture prevailed. This has led to a slower recovery in demand for contact l...
