Report description:

The COVID-19 pandemic adversely affected the performance of depilatories in Latvia in 2020. Lockdown and other stay-at-home measures implemented in an attempt to slow the spread of the virus led to social isolation, at-home working and studying, closures of or restrictions on foodservice outlets like cafes and clubs and empty leisure and entertainment venues. As consumers' exposure to the outside world was dramatically reduced, so the need or desire to use or buy new depilatories was significant...
