### **Report description:**

Sales of sun care bounced back in 2021, after registering a significant decline in value and volume in sales 2020, due to the pandemic lockdowns. With consumers spending more time in the sun during 2021 than the previous year, all products within sun care recorded current value growth. The return of foreign tourists also contributed to value growth, as well as local residents also opting to holiday at home. All the same, value sales were still lower than before the pandemic, as foreign tourist n...
