### **Report description:**

In 2021, alcoholic drinks saw a return to growth in China, starting its recovery after seeing decline in 2020 due to the effects of the pandemic. Total volume sales in some alcoholic drinks categories returned to the level seen before the pandemic, although this was not the case across the board, whilst value sales saw a better performance. On-trade channels, including clubs, bars and restaurants, and off-trade channels resumed their operations and provided services to consumers. Although occasi...
