### **Report description:**

Spectacles has not been as resilient as sunglasses, but is still predicted to record healthy growth in 2022. Readymade reading glasses retains lower share, and despite being a solid performer, lags behind in terms of innovation compared to the larger categories of spectacle frames and spectacle lenses. As many local consumers have been confined to their homes for prolonged periods of time since the emergence of the pandemic, including remote working and greater exposure to digital screens, those...

Euromonitor International's Spectacles in South Korea report offers a comprehensive guide to the size and shape of the market at a national level.
