### **Report description:**

Frequent replacement lenses (FRP) remains the largest category within contact lenses and solutions in 2022, after seeing a strong recovery in 2021. Contact lenses in general suffered a steep double-digit decline in retail volume and value terms during the COVID-19 pandemic in 2020. Sales suffered from disruption to the supply chain during the crisis as factories in the Asia Pacific region were amongst the first to be affected by the pandemic, closing early in the year, while the supply chain was...
