Report description:

In 2021, cigars, cigarillos and smoking tobacco saw a return to retail volume and current value growth. The growth rate was lower than that seen during the review period before the onset of COVID-19. The pandemic limited the rate of increase in the year. The virus saw a resurgence in the country in the first half of the year, which led to the reintroduction of tougher restrictions. The main distribution channel for cigars, cigarillos and smoking tobacco is tobacco specialists which were mandated...
