### **Report description:**

Mirroring developments in wine, spirits saw off- and on-trade volume sales bounce back into positive territory in 2021 after having posted double-digit declines in 2020 due to COVID-19 lockdowns and social distancing. Overall demand rebounded quickly as consumers began regularly socialising and attending celebratory events such as weddings in on-trade establishments and private homes once again thanks to the progression of the national vaccination programme and the relaxation of public health me...
