Report description:

The on-trade continued to struggle in wine in volume terms in 2021, due to the impact of the government's request to shorten opening hours for foodservice establishments following the declaration of the state of emergency, and the ban on the serving of alcoholic drinks. The loss of consumption opportunities was particularly notable for wine, as the category has a relatively high proportion of sales from the on-trade channel. Imported wines, which account for a high proportion of on-trade sales,...
