Report description:

Savoury snacks is posting slowed but still healthy volume and current value growth in 2022. The further easing of COVID-19 restrictions, progress in vaccination rates and a return to pre-pandemic daily activities are all contributing to a positive performance. Savoury snacks are typically bought in individual-size formats and consumed at the place of purchase, often accompanied by a beverage. This changed during the pandemic, and 2022 is seeing a return to boosted sales in individual sizes as fa...
