- Multiple User License (Global) €2475.00

Report description:

Cigars and cigarillos remain rather exotic products in Uzbekistan, as they are high-priced products which are not affordable by the vast majority of consumers. Moreover, as all of these products are imported, they are subject to high taxes and very expensive. Also, there is no culture of smoking cigars and cigarillos in Uzbekistan. Therefore, such products remain either for special events, or for foreigners with such a habit.

Euromonitor International's Cigars, Cigarillos and Smoking Tobacco in Uzbekistan report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth.
