### **Report description:**

The pandemic proved to drive sales in home video. It saw a strong performance as consumers were stuck at home due to COVID-19 restrictions. This led them to seek out purchases for better home entertainment experiences. With things returning to normal and the economic shock of the pandemic wearing off, consumers have even more disposable income for the purchase of big-ticket items such as televisions. This will lead to solid retail volume growth for this category in 2022. Within home video, LCD T...
