Report description:

In-car entertainment saw retail volume sales fall throughout the review period, and this is set to continue in 2022 and throughout the forecast period. The decline in demand can mostly be attributed to the fall in the rate of car ownership in Singapore. The rate of car ownership in Singapore continues to decline, as ownership costs remain very high. This is expected to continue, as it is unlikely that the government will reverse its efforts to promote the usage of public transport amongst local...
