- Multiple User License (Global) €2475.00

### **Report description:**

The demand for smartphones continues to grow in Indonesia with sales expected to continue showing dynamism in both value and volume terms, with these products dominating sales of mobile phones. Improvements in the economic conditions in the country and the return of tourism is helping to boost the purchasing power of consumers which in turn is encouraging more people to invest in new or replacement smartphones. The introduction of 5G technology by cellular network providers in the country is als...
