Report description:

At the beginning of 2022, a fifth wave of COVID-19 hit Hong Kong. As the government reintroduced social restrictions to control this, including a two-person limit in public, and a ban on gatherings at private premises of more than two families, sales of wine, champagne and spirits were impacted over the first quarter. The optimism of the industry faded slightly during the first four months of the year, but as vaccination has progressed and social restrictions are being relaxed, residents in Hong...
