### **Report description:**

As the market recovers from the economic fallout from the COVID-19 pandemic many people are in a better financial position and thus can afford to upgrade their mobile phones. Having spent a considerable amount of time couped up at home there has also been a pent up demand that is being satisfied. New launches from Apple and Samsung have also helped to fuel this growth in 2022. For instance, Samsung launched its new Samsung Galaxy S22, S22+ and S22 Ultra range of smartphones which include various...
