### **Report description:**

Total volume sales of wine declined in 2021, with port, champagne and other sparkling wine categories to buck the negative sales trends and register positive sales growth during the year. One of the main reasons for the pressure that came on demand for still light grape wine towards the end of the review period was the reduced importance of cross-border sales. In the past, it was very common for consumers living in parts of Estonia close to the border with Latvia to travel into Latvia to purchas...
