- Multiple User License (Global) €2475.00

### **Report description:**

Improved built-in TV sound systems are contributing to the phasing out of separate home audio, with local consumers choosing more integrated solutions that are incorporated into one device. In times of improved economic activity and innovative solutions offered by television brands, local consumers are investing in a new television with enhanced capabilities rather than an upgrade with an audio system. As audio technology included in televisions continues to improve, especially in the latest OLE...

Euromonitor International's Home Audio and Cinema in United Arab Emirates report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
