- Multiple User License (Global) €2475.00

Report description:

Overall demand for portable players is predicted to be further driven by demand for the dominant wireless speakers in 2022. Smart speakers, in particular, are gaining in popularity, especially those with a screen. Such devices can offer video content and voice assistance as well as the usual speaker function. Some parents in South Korea use smart speakers for educational purposes, such as teaching English to their children. Therefore, SK Telecom, KT Corp and LG Uplus Corp offer an English conver...

Euromonitor International's Portable Players in South Korea report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
