Report description:

Following the declines of 2020, when the pandemic and subsequent restrictions severely limited travel opportunities and time spent outside of the home, demand for sun care in Switzerland continued to decline in 2021, despite greater mobility in line with the country's vaccination programme and falling cases later in the year. Traditionally, Swiss people typically travel to sunny destinations throughout the year, and during the winter, they ski in Swiss resorts, which usually contributes to the g...
