### **Report description:**

Gum in Finland continues to be dominated by sugar-free and, specifically, xylitol sweetened gum. The Jenkki brand and its xylitol health claims have been present since the first xylitol sweetened gum was launched in 1975. Awareness of the purported benefits of xylitol is widespread in Finland and sales of such products face maturity. The Fazer Makeiset website offers further information about xylitol's oral health benefits. However, in order to boost consumer interest new kinds of flavour, textu...
