Report description:

Toys and games experienced another year of double-digit current value growth in the US in 2021, despite the industry's strong performance in 2020. Although pandemic-related restrictions were lifted during 2021 across the country, consumers continued to spend extended time at home, which led to additional investments in entertainment across various categories.

Euromonitor International's Toys and Games in USA report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues. Forecasts to 2026 illustrate how the market is set to change.

Product coverage: Traditional Toys and Games, Video Games.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Toys and Games market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
