- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

Report description:

While analgesics is expected to register an increase in current value sales, constant value sales are expected to fall in 2022. Rising inflation as a result of the energy crisis stemming from the war in Ukraine is pushing up retail prices and dampening volume sales somewhat. In addition, as fears around COVID-19 abate, this is also leading to less demand for analgesics.

Euromonitor International's Analgesics in Denmark report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth. Forecasts to 2026 illustrate how the market is set to change.

Product coverage: Systemic Analgesics, Topical Analgesics/Anaesthetic.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Analgesics market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
