Report description:

Dietary supplements saw higher growing in 2022, compared to the two previous years. One of the major growth drivers is sports and recreations. Croatia's "gym nation" is spending more on dietary supplements to enhance their sports performance and recovery, driving demand for products such as creatine as well as vitamins, Minerals and L-carnitine. Dietary supplements in Croatia are not seen as a fast, high impact way to boost immunity, but rather a more long-term investment in health and wellbeing...
