Report description:

While digestive remedies are expected to register an increase in current value sales, constant value sales are expected to fall in 2022. Rising inflation as a result of the energy crisis stemming from the war in Ukraine is pushing up retail prices and dampening volume sales somewhat. Diarrhoeal remedies are expected to register the highest current value growth, with volume sales being unchanged. An increase in international travel supports volume sales, as consumer often buy these products to br...
