### **Report description:**

In 2022 there has been a drastic change to consumer lifestyles with many workers required to return to work in person, both in the public and private sectors. This trend has been more evident in provinces rather than in large cities, where internet connectivity and habit of working remotely still persists. Consumer's eating habits have also shifted as people return to eating at stalls and restaurants, but also return to unhealthy habits such as eating after hours and consuming foods on the go th...
