Report description:

Digestive remedies is expected to continue to register strong retail volume and current value growth over 2022. All categories are set to perform well, including motion sickness remedies, the only category to see a drop in retail volume and current value sales due to the Coronavirus (COVID-19) pandemic. In 2022, as COVID-19-related restrictions in mobility and travel ease and consumers return to pre-pandemic work, school and social and leisure norms, the demand for motion sickness remedies is pr...
