Report description:

Recent years have seen sales of eye care benefit from the increases seen generally in the amount of time Spaniards spend in front of digital screens. In addition to spending several hours a day staring at LCD monitors at work, Spanish people are increasingly unwinding likely to unwind at home after work by watching streaming content on a smart TV, laptop, tablet or smartphone. In addition, many people also keep one eye on their social media updates almost constantly, resulting in even more inter...
