Report description:

Herbal/traditional products continue to benefit from a high level of consumer acceptance, as many Ecuadorians perceive them as safer and less likely to have harmful side-effects than standard OTC products. The growth of sleep aids is mainly driven by herbal/traditional products, which are considered effective products but without adverse effects and unlike most non-herbal sleep aids that do require a prescription, they can be bought freely. Aquilea Sueno has enjoyed strong growth within sleep ai...
