### **Report description:**

In light of the unprecedented nature of the pandemic, the subject of immunity has been a topic of great interest in the consumer health industry. Increasing numbers of pharmaceutical companies have been creating vaccines, including French pharmaceutical giant Sanofi, which opened its vaccine facility in Singapore in April 2022. Sanofi's establishment and operation of a vaccine facility in Singapore is just one of many cases of global pharmaceutical players investing to prepare for future pandemi...

Euromonitor International's Sleep Aids in Singapore report offers a comprehensive guide to the size and shape of the market at a national level.
