Report description:

Demand for sleep aids surged during 2020 and 2021 due in large part to disruption and stress arising from the pandemic, and retail constant value sales (2022 prices) continued to expand in 2022-albeit at a much more modest rate than in the previous year. In addition to the physical toll that COVID-19 has taken on Spaniards, the psychological impact of the virus, including insomnia and body clock maladjustment, have left their mark. Moreover, the huge amounts of stress that was added to the daily...
