## **Report description:**

Whilst butter, the largest category within butter and spreads, is primarily associated with Western cuisines, its potential use in Chinese cuisine has been heavily promoted by major producers such as Fonterra. This led to increasing use of butter in foodservice during the review period, which is generally more fertile ground for innovation in terms of usage. Foodservice therefore accounted for far higher sales and saw higher growth than retail in 2021, which is set to continue in 2022. Neverthel...
