Report description:

Lekadol has maintained its leading share in the cough, cold and allergy (hay fever) remedies category. The brand is promoted mostly on TV commercials and in pharmacies with billboards. The share of smaller players is declining, as well-established brands, such as Lekadol, Aspirin and Operil are gaining market share. Those companies are capable of investing more in marketing, and, thereby, boosting already high levels of brand awareness and building on the established loyalty towards well-established brands.

Euromonitor International's Cough, Cold and Allergy (Hay Fever) Remedies in Slovenia report offers a comprehensive guide to the size and shape of the market at a national level.
