### **Report description:**

Despite recording moderate current value growth, non-essential luxuries such as cream and condensed milk are continuing to experience volume declines in 2022 as a result of rising unit prices. The war in Ukraine is causing major uncertainty worldwide and increasing prices of commodities, reaching all-time highs. This follows the pandemic and economic recession in South Africa. With food prices soaring, consumers are reducing their expenditure on perceived non-essential food items. South Africans...

Euromonitor International's Other Dairy in South Africa report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2017-2021, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth.
