### **Report description:**

The wound care category is showing more dynamic growth in 2022 than in the previous year, thanks to consumers returning to outdoor activities that involve greater risk of minor injury. Once the COVID-19 crisis had settled down and restrictions had been lifted, people took advantage of being active outside again and the number of accidents increased. Indeed, the general rise in health awareness has encouraged many consumers to take up physical exercise and sporting activities, which has led to is...
