- Single User Licence €825.00
- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### **Report description:**

Analgesics is expected to continue seeing strong growth in current value terms in 2022, with sales exceeding pre-pandemic levels. This strong performance is thanks to consumers returning to more normalised lifestyles, with people going out more frequently and having a more active social life. This is being supported by the lifting of restrictions in Italy, including the lifting of the obligation to wear face masks in some indoor public places from the start of May, such as in shops. As a result,...

Euromonitor International's Analgesics in Italy report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth. Forecasts to 2026 illustrate how the market is set to change.

Product coverage: Systemic Analgesics, Topical Analgesics/Anaesthetic.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- \* Get a detailed picture of the Analgesics market;
- \* Pinpoint growth sectors and identify factors driving change;
- \* Understand the competitive environment, the market's major players and leading brands;
- \* Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
