### **Report description:**

Current value growth of analgesics is expected to be higher than 2021, as consumers use analgesics to treat COVID-19 symptoms, as well as cold and flu symptoms. The incidence of the common cold and seasonal flu has increased since the lifting of pandemic-related restrictions and social conditions returning to normal. Topical analgesics/anaesthetic is expected to register the highest current value growth and is used as a pain relief. Busy and stressful lifestyles continue to drive growth, as cons...
