### **Report description:**

Certain trends given impetus during COVID-19 are maintaining a hold in post-pandemic France, including working from home. In 2022 many companies are allowing employees to continue to work from home for at least some of the week. As a result, people are spending longer in front of screens with fewer interruptions thanks to lack of daily commute, a shift from in-person to virtual meetings and conferences, and lost opportunities for face-to-face informal chats with colleagues. Added to this is scre...
