### **Report description:**

Wound care is expected to register moderate current value growth in 2022, but constant value growth is expected to fall slightly. Azerbaijan's proximity to both Ukraine and Russia is expected to create a lot of uncertainty and while Azerbaijan is expected to benefit from increasing global energy prices as a result of the war - on the flip side, Azerbaijan is heavily dependent on trade and raw materials for production both from Russia and Ukraine and it is expected that trade flows will be disrupted.
