- Multiple User License (Global) €2475.00

Report description:

Cigars and cigarillos both registered current value and volume growth in 2021, as with society fully opened up post pandemic lockdowns, there was more socialising and cigars and cigarillos are often consumed when socialising. In addition, the recently introduced flavour ban on cigarettes does not apply to cigarillos or cigars and this also bolstered volume sales.

Euromonitor International's Cigars, Cigarillos and Smoking Tobacco in Estonia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2017-2021, allowing you to identify the sectors driving growth.
