### **Report description:**

Dermatologicals was largely unaffected by the COVID-19 pandemic, though it did register a slight decline in current value in 2020. However, dermatologicals returned to sales growth and recovered to 2019 sales levels in 2021. As such, overall dermatologicals is registering relatively robust retail value sales in 2022 due to higher inflation and demand for value-added products. Indeed, value-added products is boosting sales of various dermatological categories. Generally, Finnish consumers seek ea...
