Report description:

Demand for digestive remedies continues to strengthen in 2022 as consumers suffer with more digestive ailments. Poor eating habits amongst all classes of the Egyptian population remain the main cause of growth in demand for digestive remedies. Eating cheap and low-quality food is most acute amongst those in low-income groups, a trend that is being exacerbated by high levels of unemployment. The measures implemented by the government to manage the COVID-19 pandemic have also led to the worsening...
