### **Report description:**

The digestive remedies category saw a steep decline in 2020 due to prominent COVID-19-related trends, including better hygiene and less travel. The category already saw overall growth in 2021 as parts of life became more normal again and 2020 was in its own league in terms of drastic changes to people's lifestyles compared to how life was before. The changed lifestyles in 2020 not only led to changes in the consumption patterns of digestive remedies but were also reflected in dietary supplements...
