Report description:

The downward trajectory in retail volume sales of portable players predates the Coronavirus (COVID-19) pandemic in Austria. However, the anticipated strong performance of wireless speakers over 2022 is expected to see an overall, if slight, rise in retail volume sales of portable players, despite the continuing decline in demand for portable media players and e-readers. Wireless speakers is set to return to positive retail volume growth in 2022, as the threat posed by COVID-19 eases and work, sc...
