Report description:

Sleep aids continues to make significant advances within consumer health and is one of the best performing categories in 2022 as consumers continue to struggle with sleep issues caused by the COVID-19 pandemic. Consumer demand for sleep aids accelerated in 2020 and 2021 as sleep disorders resulting from stress, reduced physical activity and uncertainty caused by COVID-19. Furthermore, the pandemic unlocked mental health issues caused by social isolation and time away from people's support network...
