### **Report description:**

Travel is expected to record robust growth in value sales in 2022. An easing of pandemic-related restrictions, the resumption of regular scheduled international flights, and pent-up travel demand are supporting the stronger recovery of travel in India in 2022. However, a full recovery to pre-pandemic levels across tourism flows, airlines, lodging, and booking is unlikely by the end of the review period as international travel is yet to recover fully, and domestic travel demand is set to be impac...
