### **Report description:**

Fast loans are becoming increasingly popular in Greece. These digital loans are very easy to issue in terms of process, although normal lending criteria still apply. For applicants, obtaining such a loan is as easy as being approved for a credit card online as consumers need not visit a bank branch. Most of these fast loans are for sums of EUR1,000-3,000 and they can be approved instantly over their mobile phones. Following a post-COVID surge in demand for fast loans among consumers who want to...
