Report description:

Consumer credit is recording a positive performance in 2022, both in terms of gross lending and outstanding balance. However, for the first time since the outbreak of the pandemic, the value of outstanding balance is set to record faster year-on-year growth compared to gross lending, while during 2020, local consumers repaid debt at record levels.

Euromonitor International's Consumer Credit in United Kingdom report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards. It looks at key players in the market (issuers and operators), number of cards in circulation, numbers transactions and value of transactions. It offers strategic analysis of sector forecasts and trends to watch.

Product coverage: Auto Lending, Card Lending, Durables Lending, Education Lending, Home Lending, Other Personal Lending.
