Report description:

Home cooking remains prevalent in 2022 due to continued practices gleaned from pandemic-related lockdowns along with the ubiquity of remote working/hybrid working measures for many desk-based jobs. Unlike products with mature penetration, such as butter and margarine, the use of cream in cooking still offers further growth potential in Singapore. Due to non-routine consumption, Singaporeans often need to purchase cream as a base for Western cuisine or for whipping when baking. Awareness of sour...
