Report description:

Sports nutrition is witnessing an upturn in current value sales in 2022 as consumers leave COVID-19 fears behind and return to gyms and their usual sporting activities. Many Costa Ricans are focusing on losing weight gained during the pandemic as consumers get back into their normal routines. Protein is gaining popularity not only among sports enthusiasts, but the population in general, with mainstream consumers buying protein to add to smoothies. Gyms are often a centre of motivation, with pers...
